

IT & Library Handover Report

Name: Duncan Maingi

Position: Assistant Librarian

Organization: Our Lady of Lourdes Mutomo College of Health Sciences

Leave Period: 7th April 2026 – 22nd April 2026

Date of Handover: 30/03/2026

1. Overview of Responsibilities

During my tenure, I handle the following key responsibilities:

- Training students on computer packages
- Maintaining the library and computer lab facilities
- Repair and maintenance of computers and related equipment
- Providing user support across the college (staff and students)

2. Ongoing Tasks / Projects

- **Computer Training Program**
 - Status: Ongoing
 - Details: Training sessions for students are currently in progress and should continue as scheduled during my absence.
- **Introduction to Computers:** Currently **2 students enrolled** and continuing with the course will have completed introduction this week.
- **Microsoft Excel: 6 students are completing the course this week.** Certificates/next-level guidance will be provided after completion.

3. Handover of Duties

The following officer will oversee responsibilities during my absence:

- **Name:** Mary Mwikali
- **Position:** Assistant IT Manager
She will assist in:
- Overseeing computer lab operations
- Providing IT support where necessary
- Ensuring continuity of ongoing computer training sessions

4. Systems & Operations

- Computer Lab: Ensure all machines are functional and report any faults for repair
- Library Operations: Maintain order, assist students with access to resources
- General IT Support: Attend to any urgent system or user issues within the college

5. Known Issues / Risks

- Occasional computer hardware issues may arise; basic troubleshooting can be performed, and complex issues may be escalated as needed
- High usage of lab computers during training sessions may require close monitoring

6. Documentation & Resources

- Training materials and resources are available in soft copies
- Library records should be maintained as per standard procedures

7. Support & Contacts

- **Primary Contact (During Absence):** Mary Mwikali
- Additional technical support can be sought from the IT department if needed

8. Additional Notes

- Ensure smooth coordination between the library and IT office
- Maintain proper usage of equipment and enforce lab rules during training sessions
